2/18/2017	Boys/Girls Varsity	Mat Classic XXIX – Day 2	TBD	TBD	TBD	TBD	TBD	Tacoma Dome, Tacoma, WA

The report time indicates what time each Student must be physically present at the school and be checked in with the coaching staff for pre-departure accountability, weigh-ins and uniform/equipment inventory; all team members must be on time. The departure time is self-explanatory, while the **return time is an estimated time** required when we submit our transportation request on-line and reserves our mode of transportation for the entire day; return times will vary from event to event and can be difficult to predict. The Field Trip Request# (FTR#) the number issued by the transportation company and tells us we have a confirmed and approved trip request. Any in District away event (Example: Rogers High School or Puyallup High School) are self-transport events as the District will not provide transportation as a way of saving costs. The report time for those in District events will be the time that each student will meet the coaching staff with all their gear at that particular school and the acronym POV stands for Personally Owned Vehicle.

There will be times that we will allow Parent(s)/Guardian(s) to sign out their Student at away event sites but only after they have completed their competition commitment for the day; this decision will be made by the Head Coach in charge at the event site and will be on a case-by-case basis. Parent(s)/Guardian(s) may also sign out their Student at away dual meets but only after the dual meet has been completed and the Head Coach has released the team to travel back home. **THIS PRIVILEGE** may not be implemented at each away event and team members, Parent(s) and Guardian(s) must remain flexible within the team travel plans. Our preference is that all team members remain for the duration of each competition to cheer on their teammates and gain more experience by watching more matches but we do understand that families may have outside needs from time to time. If there is a mandatory event that your Student needs to get to after they have completed their competition commitment for the day, then the Parent(s)/Guardian(s) should submit an Excused Absence Form in advance to facilitate a timely release. Students **are only allowed** to travel home with their Parent(s)/Guardian(s) **unless approved in writing** by the School Administration.
